

Reptiles and Frogs of Gluepot Reserve (updated June 2016)

| Scientific name | Common name | Notes with reference to Gluepot |
|--|-----------------------------|--|
| Family Agamidae | | |
| Dragon Lizards | | |
| <i>Ctenophorus fordi</i> | Mallee Dragon | Terrestrial, associated with spinifex, commonly observed |
| <i>Ctenophorus pictus</i> | Painted Dragon | Terrestrial, occasionally observed |
| <i>Diporiphora nobbi</i> | Nobbi Dragon | Terrestrial/arboreal, occasionally observed |
| <i>Pogona vitticeps</i> | Central Bearded Dragon | Terrestrial, commonly observed |
| Family Gekkonidae | | |
| Typical Geckos | | |
| <i>Gehyra versicolor</i> ¹ | Eastern Tree Dtella | Arboreal, nocturnal, commonly observed on buildings |
| <i>Heteronotia binoei</i> | Bynoe's Gecko | Terrestrial, nocturnal, occasionally observed |
| Family Carphodactylidae | | |
| Knob-tails & others | | |
| <i>Nephrurus levis</i> | Smooth Knob-tailed Gecko | Terrestrial, nocturnal, rarely observed |
| Family Diplodactylidae | | |
| <i>Diplodactylus furcosus</i> | Ranges Stone Gecko | Terrestrial, nocturnal, occasionally observed |
| <i>Lucasium damaeum</i> | Beaded Gecko | Terrestrial, nocturnal, commonly observed |
| <i>Oedura cincta</i> ² | Inland Marbled Velvet Gecko | Arboreal, nocturnal, on Black Oak, rarely observed |
| <i>Rhynchoedura angusta</i> ³ | Border Beaked Gecko | Terrestrial, nocturnal, occasionally observed. |
| <i>Strophurus elderi</i> | Jewelled Gecko | Terrestrial, nocturnal, in spinifex, occasionally observed |
| <i>Strophurus williamsi</i> | Eastern Spiny-tailed Gecko | Terrestrial/arboreal, nocturnal, rarely observed |
| Family Pygopodidae | | |
| Legless Lizards | | |
| <i>Aprasia inaurita</i> | Red-tailed Worm Lizard | Terrestrial, rarely observed, often under stumps |
| <i>Delma australis</i> | Barred Snake-lizard | Terrestrial, in spinifex & leaf litter, rarely observed |
| <i>Delma butleri</i> | Spinifex Snake-lizard | Terrestrial, in spinifex, occasionally observed |
| <i>Lialis burtonis</i> | Burton's Legless Lizard | Terrestrial, usually in spinifex, rarely observed |
| <i>Pygopus lepidopodus</i> | Common Scaly-foot | Terrestrial, usually in spinifex, rarely observed |
| <i>Pygopus schraderi</i> | Hooded Scaly-foot | Terrestrial, nocturnal, rarely observed. |
| Family Scincidae | | |
| Skinks | | |
| <i>Cryptoblepharus pannosus</i> | Speckled Wall Skink | Arboreal, occasionally observed on dead timber |
| <i>Ctenotus atlas</i> | Southern Spinifex Ctenotus | Terrestrial, occasionally observed |
| <i>Ctenotus inornatus</i> ⁴ | Brown Ctenotus | Terrestrial, occasionally observed |
| <i>Ctenotus orientalis</i> | Spotted Ctenotus | Terrestrial, occasionally observed |
| <i>Ctenotus regius</i> | Eastern Desert Ctenotus | Terrestrial, commonly observed |
| <i>Ctenotus schomburgkii</i> | Sandplain Ctenotus | Terrestrial, commonly observed |
| <i>Cyclodomorphus melanops</i> | Spinifex Slender Bluetongue | Terrestrial, usually in spinifex, rarely observed |
| <i>Egernia striolata</i> | Tree Skink | Arboreal, in hollows, around buildings, commonly observed |
| <i>Eremiascincus richardsonii</i> | Broad-banded Sandswimmer | Terrestrial, rarely observed |
| <i>Lerista aericeps</i> | Yellow-tailed Slider | Terrestrial, under leaf litter, rarely observed |
| <i>Lerista punctatovittata</i> | Spotted Slider | Terrestrial, occasionally observed |
| <i>Lerista timida</i> | Dwarf Three-toed Slider | Terrestrial, rarely observed |
| <i>Liopholis inornata</i> | Desert Skink | Terrestrial, crepuscular, occasionally observed |
| <i>Menetia greyii</i> | Dwarf Skink | Terrestrial, small skink, occasionally observed |

Reptiles and Frogs of Gluepot Reserve cont'd

| Scientific name | Common name | Notes with reference to Gluepot |
|---------------------------------------|-------------------------------|--|
| Family Scincidae cont'd | | |
| Skinks | | |
| <i>Morethia boulengeri</i> | Common Snake-eye | Terrestrial, occasionally observed |
| <i>Morethia obscura</i> | Mallee Snake-eye | Terrestrial, occasionally observed |
| <i>Tiliqua occipitalis</i> | Western Bluetongue | Terrestrial, rarely observed |
| <i>Tiliqua rugosa</i> | Sleepy Lizard | Terrestrial, occasionally observed |
| Family Varanidae | | |
| Goannas (Monitors) | | |
| <i>Varanus gouldii</i> | Sand Goanna | Terrestrial, commonly observed |
| Family Typhlopidae⁵ | | |
| Blind Snakes | | |
| <i>Anilius bicolor</i> | Southern Blind Snake | Terrestrial, rarely observed |
| <i>Anilius bituberculatus</i> | Rough-nosed Blind Snake | Terrestrial, rarely observed |
| Family Elapidae | | |
| Elapid (Front-fanged) Snakes | | |
| <i>Brachyurops australis</i> | Coral Snake | Terrestrial, rarely observed |
| <i>Demansia psammophis</i> | Yellow-faced Whipsnake | Terrestrial, rarely observed |
| <i>Parasuta nigriceps</i> | Mitchell's Short-tailed Snake | Terrestrial, rarely observed |
| <i>Pseudechis australis</i> | Mulga Snake | Terrestrial, occasionally observed (but the most commonly observed elapid snake on Gluepot) |
| <i>Pseudonaja aspidorhyncha</i> | Patch-nosed Brown Snake | Terrestrial, occasionally observed |
| <i>Pseudonaja modesta</i> | Five-ringed Snake | Terrestrial, rarely observed |
| <i>Suta suta</i> | Curl Snake | Terrestrial, rarely observed |
| <i>Vermicella annulata</i> | Common Bandy Bandy | Terrestrial, rarely observed |
| Family Myobatrachidae | | |
| Southern Frogs | | |
| <i>Limnodynastes dumerilii</i> | Banjo Frog | Usually only found near or on the edge of permanent water, now being only the dams near the homestead |
| <i>Limnodynastes tasmaniensis</i> | Spotted Marsh Frog | As above |
| <i>Neobatrachus pictus</i> | Burrowing Frog | Burrowing frog usually only observed after heavy rains when it opportunistically breeds in water pools in low lying areas such as claypans |
| <i>Neobatrachus sudelli</i> | Sudell's Frog | As for <i>N. pictus</i> |

Notes:

- In 2014, the species name *Gehyra versicolor* was applied to central and eastern populations of tree dtellas in S.A., whilst the previous name *Gehyra variegata* is now restricted to tree dtellas to the far west of the state.
- In 2016, the species name *Oedura cincta* replaced the name *Oedura marmorata*, now commonly called the Inland Marbled Velvet Gecko.
- In 2014, the species name *Rhynchoedura ornata* for Beaked Geckos throughout S.A. was replaced by a split into 5 new species, with the species at Gluepot now being called *Rhynchoedura angusta*, the Border Beaked Gecko.
- In 2014, the species name *Ctenotus inornatus* replaced the name *Ctenotus brachyonyx* for Brown Ctenotus found in S.A.
- In 2014, a new genus name *Anilius* replaced the name *Ramphotyphlops* for all Aust. blindsnakes.
